Instructions: You are going to be making a unique container that expresses both kinds of Contrast.

1. Use the Back of this paper for brainstorming and exploring ideas you want to center all your creative choices around for your contrast Container.

2. What is your main concept (ex: night-day, thick-thin lines, organic-inorganic shapes, etc.)?

Explain: _____

3. How is your container applying conceptual Contrast? _____

4. How is your container applying literal contrast? _____

5 Describe how you are going to make your project. What techniques will you use? (BE SPECIFIC!): _____

Blue Prints (show what it's going to look like):

In the spaces below, or on other paper if you need more room, draw exactly how you are planning on putting your designs onto your box. Make sure your designs take up all the space and do your best careful drawing. Taking your time on this will save you time building it later!
